

DANIEL BURKETT
MEMORIAL SCHOLARSHIP

Over \$15,000 raised for the Danny Burkett Memorial Scholarship at the 7th Annual DLB Memorial Golf Tournament

On Saturday, October 25, 2014 the friends and family of Danny Burkett (USD '06) hosted the 7th Annual Danny Burkett Memorial Golf Tournament at Tecolote Canyon Golf Course in San Diego, CA. More than 90 players participated in this wonderful event to raise funds for the Daniel L. Burkett III Memorial Scholarship at the University of San Diego. The tournament was a four-person team scramble consisting of 18 holes of golf, a dinner banquet, and awards ceremony. This year the tournament raised over \$15,000 in funds to be donated directly to the Daniel L. Burkett III Memorial Scholarship at USD.

The tournament committee would like to thank the tournament's main sponsor The Griswold Foundation for their generous donation to the scholarship fund. The committee would also like to thank the many sponsors and volunteers who made this tournament a huge success through their support and generous donations: Jim Bowersox, LRG Clothing, Compression Source, Tanimura and Antle, Oakley, Los Angeles Lakers, Los Angeles Kings, Anaheim Angels, Anaheim Ducks, Dixon Golf, Tecolote Canyon Golf Course, The Ettlin Family, The Crowe Family, The Fromkes Family, and the McCool Family.

The scholarship committee is also very proud to announce the selection of Matthew Maricic as the fifth recipient of the scholarship award. Matthew is a finance major with a minor in Political Science. He is currently the executive vice president of Phi Kappa Theta fraternity, past president and captain of USD Roller Hockey, and an active member of the Alcalá Club and Order of Omega. Upon graduation, he plans to pursue a career in international law.

The Daniel L. Burkett III Memorial Scholarship was established in honor of the late USD alumnus, Danny Burkett, who passed away soon after graduating in 2006. Danny graduated Summa Cum Laude with a degree in Business Economics and in 2006 received the award of Academic Excellence in Business Economics. While at USD he was a member of the prestigious Alcalá Club, Omicron Delta Epsilon International Economics Honor Society, National Society of Collegiate Scholars, and Delta Tau Delta International Fraternity. While a member of Delta Tau Delta he helped establish the Bleed Purple Foundation to help college students with cancer and co-chaired Philanthropy Week, a Greek Community event held to raise money for charity. His magnetic personality and involvement in the USD community allowed him to touch the lives of many people. He leaves behind a legacy of academic excellence, community involvement, high integrity, and a fun-loving attitude.

The scholarship is available to all undergraduate students at USD who are active members of the Greek Community, show excellence in academics, and are actively involved in community service.
